

XVI Lavarone Seminar 2024

There are Children and children First Announcement and Call

*"The child enters: hesitation, heartbeat, always. And the curtain opens."
(D. Munari Poda, 2023)*

This year's seminar follows and interweaves two threads united by the word CHILD.

The first focuses on a concept dear to any transactional analyst: the Child Ego State.

The second direction of reflection concerns what we feel, think and act with the children and families we meet in our clinical practices, classrooms or educational environments in general.

The event will be held on Friday 30 August from 10 a.m. to 5 p.m. and on Saturday 31 from 9.30 a.m. to 5.30 p.m.

CME accreditation has been requested.

The seminar will be open to colleagues from the educational, organisational, counselling and psychotherapy fields.

There will be presentations by speakers in plenary, parallel sessions and workshops.

Proposals for contributions in the form of oral communications and workshops will be accepted.

Those wishing to propose a presentation (20 min) or a workshop (90 min) dedicated to the topic can send an abstract in Italian and English no later than 15 April, to navigando@versoitaca.it. The text of the abstract must not exceed 250 words.

The Scientific Committee will communicate the acceptance or rejection of the presentation/workshop.

We look forward to seeing you... as always.

See you soon.
